II The Millennium: many signs & wonders: D+C 88:95-98

"And the Face of the Lord shall be unveiled; and the saints that are upon the earth, who are alive, shall be quickened and be caught up to meet him. And they who have slept in their graves shall come forth, for their graves shall be opened; and they also shall be caught up to meet him in the midst of the pillar of heaven - They are Christ's, the first fruits...."

I Looking forward: Stadium Village <sup>~30 yrs ago.</sup> (newly marrieds) education, employment, family, progress, church service. Donna Rae & Bill. and with some apprehension the possibility of sorrows - even the possible loss of loved ones - more remotely: the Resurrection - the ushering in of the millennium.

Similarly the body will be restored in all its splendor. As John says, "When He shall appear, we shall be like Him; for we shall see Him as He is. And as Paul says "For our conversation is in heaven; from whence also we look for the Saviour, the Lord Jesus Christ: who shall change our vile body, that it may be fashioned like unto his glorious body..."

(Teachings of the Prophet J.S.)

(Compiled by Jos. Fred Sm. p. 65)

may we take comfort in these <sup>forthcoming</sup> glorious events, yea even look forward to them, I pray in Jesus' Holy Name,

Amen.

From "Salvage" The blessed conditions under which the earth shall exist and man shall live during the millennial era are almost beyond human powers of comprehension, so different are they from all to which history testifies and experience confirms.

A reign of righteousness throughout the earth has never yet been known to the fallen race of man.

So marked has been the universal curse, so great the power of the tempter, so bitter the selfish strife betwixt man & man and between nation & nation; so general has been the enmity of the animal creation, amongst its own members and toward the being, who though in a degraded state, yet holds the divine commission to the authority of dominion; so prolific has been the soil in bringing forth thorns, thistles and noxious weeds - that the description of Eden is to us as the story of another world, an orb of a higher order of existence, wholly unlike this dreary sphere. Yet we learn that ~~in~~ Eden, <sup>was,</sup> in reality <sup>Eden</sup> a feature of our planet, and that the earth is destined to become a celestialized body fit for the abode of the most exalted intelligences. The Millennium, with all its splendor, is but a more advanced stage of preparation, by which the earth and its inhabitants will approach foreordained perfection.
