Dr and Mrs H. Tracy Hall
1711 North Lambert Lane
Provo UT 84604

Dear Tracy and Ida Rose:

I am pleased to report to you that the H. Tracy Hall Scholarship is benefitting students in the Department of Chemistry and Biochemistry. We began awarding scholarships in the Fall of 2001. Since that time we have awarded full or one-half tuition scholarships to 27 students. We have been careful to select those students with a GPA of 3.0 or better and those who have need of financial support.

Of the eight Hall Scholarship recipients who have graduated in recent years, one has been accepted at medical school, five are working toward advanced degrees in chemistry and biochemistry, and two have found employment in the chemical industry.

We have enclosed letters written to you from recent H. Tracy Hall Scholarship recipients, and we join with them in expressing our gratitude. Your thoughtfulness and generosity are appreciated

Sincerely,

A handwritten signature in blue ink that reads "Fran".

Fran Nordmeyer
