The Chemistry Department is pleased to announce the establishment of the H. Tracy Hall Professorship in Chemistry

Our plan is to build this endowment into the

H. Tracy Hall Chair in Chemistry

We are honoring Tracy by having him present a seminar "My 35 Years in High Pressure Research" 241 ESC Wednesday, March 26 at 3:00 PM

A reception for Tracy and Ida Rose Hall will follow in the Geology Conference Room—257 ESC from 4 until 5 o'clock We invite your participation in these activities
