>Hi everybody. Thought you might find these "incrediblyinteresting facts" come all the way from from Jerusalem (that probably originated in the US)"fascinating." P.S. Brandon and Laura got the "2nd Opinion" from Dr. Patrick O'Leary (a convert to the Church who has an office on Park Avenue and did Dan's back with very successful results) in NYC yesterday. He confirmed the diagnosis already given by Dr. Bacon that is too complicated for me to repeat, but the bottom line is that he must have surgery; Dr. O'Leary said he could not recommend anyone in Utah to do the surgery--that he did have a friend neurosurgeon in Salt Lake City, but he would not even recommend him because he did not specialize in backs. Suggested to them that they choose a doctor who ONLY did backs. 'Seemed to think the procedure to be used was pretty standard so that the best thing they can do is choose a doctor who specializes in backs, to whom the procedure would be quite routine. So, since Dr. Bacon only does backs and they like him, they are sticking with their appointment to have him perform the surgery this coming Monday. We are holding a family fast on Sunday on his behalf and hope you will remember them in your prayers. Love, Sherlene
