

Dear Grandma and Grampa Hall,

Thank you very much for the money it was very generous of you. It was good to spend a couple extra days with you last summer and see the farm and drive the tractor. Thanks for taking me to see The Lion King Grandma it was fun. We now have that movie preordered and will get it as soon as it comes out.

Right now I'm playing the piano alot. I can play out of Le Miserables, Phantom of the Opera and many more musicals and books. I have stopped taking lessons though. Right now the music I'm working on are selections from Jurassic Park!

Violin is coming along too. Now that I have private lessons I'm progressing quickly. Hope to see you next summer. Thanks for the money I'll use it well.

Your granddaughter,  
Hannah Weigert
