

Dear Grandma + Grandpa Hall,

Thankyou for the money. I think I am going to use it to go skiing. I haven't been this year so I am excited. Well life in OR is pretty fun now that I have my license. It gives me a lot of freedom which I enjoy. Gramps I don't know when I am gonna come & drive your tractor. I think that would be sorta scary. Well I have a job now working at Papa Alos Pizza place. It's really fun. I am learning a lot about people and how to work with people you don't like. I learned cash register last week & that's fun I guess. Some customers scare me because they are so rude & not very patient. When some one is nice it~~s~~ can make a difference in your day. Well I hope you both had a merry Christmas. I can wait to see you at Thanksgiving when we have that reunion. Well see you then. I love you both.

Love, Sarah
