

DEAR GRANDMA HALL,

How are you doing? I hope all is going well there in Provo... hope you are watching my Mom & making sure she isn't getting into any trouble... seeing as I am not there to monitor her... JUST KIDDING!

I recently got transferred to Centenario ~ a very rich sector of Guayaquil... the work here in this part is lots different than it was in Machala. I was in Machala... my 1st area for 5 mths... and there the work was incredible ~ here in Centenario the baptism process is a lot longer ~ every area has its good & bad pts. I guess.

Anyway Grandma, seeing as it will be Mother's Day soon - I wanted to write you and let you know how much I love you and I want you to know that you and Grandpa are people I want to emulate. I have so much respect for you & I am so glad for the strength in the church that you've had and given my parents and me. I love you so much Grandma. Take care of yourself. See you in a year!
Love, Laura
