

The Chemistry Department is pleased to announce the establishment of the H. Tracy Hall Professorship in Chemistry

Our plan is to build this endowment into the

**H. Tracy Hall
Chair in Chemistry**

We are honoring Tracy by having him present a seminar

“My 35 Years in High Pressure Research”

241 ESC

Wednesday, March 26 at 3:00 PM

A reception for Tracy and Ida Rose Hall will follow in the

Geology Conference Room—257 ESC

from 4 until 5 o'clock

We invite your participation in these activities
