

as it was called, we were to use
"soap" & not wax.

I remember one Halloween
I went with the "big kids".
They sniped someones house,
but filled trash cans, climbed
the nearby hill & waited for
the street cars to reach it's
"end" at the top of the hill.

when the conductor changed his
"wheel" from one end of the car
another to the other (about 5 min)
