Some folks more local "Pat" some folks  
 from around. need to take her to let register  
 make. He learned that the "Pat" to being water  
 down (to make) + I had didn't see her child from  
 (But was water down at midnight to let register  
 1 year long water at midnight to let register the  
 Sabata Richard - between 1905 (Wed) + 1907 (Sun) the  
 family left before to get her from  
 when B. I. came down in 1900 he had a Aunt  
 of house + he had then all for water + Pat  
 of one animal "Pat" But I learned from her all  
 seen + never seen from here.

Langford + one other house ~~the~~ was the  
 only one not closed. Everyone went up  
 to church (camp) water went up to church  
 then never was highest house in town outside  
 of church. The three was about 1,000 people  
 in house. (never near  
 in house - one a coop - Harvey he was it.  
 eventually he bought out everyone - good house  
 when someone came down from <sup>the</sup> ~~the~~  
 people put up store in San Miguel + the ~~the~~ to ~~the~~
