

Tracy said "all the money I've let you spend on your genealogy & you don't want to do mine?"

Then Virginia abt 5 or 6 began to cry. What's the matter with you? I asked "You're going to get a divorce," she said. "No we're not." I said.

~~Be~~ Discipline of children. It's a good thing to agree ^{on discipline,} but a good marriage can survive even disagreement on this.

I ended up being the disciplinarian. ~~But~~ but together we set rules abt dating. A ~~to~~ times to get in after dates and together we enforced them.

our children will remember when ~~the~~ Tracy did raise his ^{hand} or his hand ^{against} them & usually it was when the children were young - me a bad ^{girl} -

~~There is a saying - the family that plays~~ together stays together.

~~after we came to Utah to~~ ^{when the children were} ~~young~~ ^{me a bad} ~~girl~~ -

when we left Schenectady we realized we hadn't taken our children to important places in the East. We tried to get all these into.
