

Excerpt

yesterday.

April! - ^{over to the bank,} ^{coffee} Nancy born.

1959 - Idu Rose receiving treatment (large doses of sulfa for Chronic Nephritis.)

wrote in his research book

Feb 23 1959 " a secrecy order was recently placed on the patent applications for the tetrahedral anvil device. We are ~~trying~~ trying to get the secrecy order lifted. It is stupid in the light of the fact that all details of the device have been ^{published.} (Stannell & Stannell acted for the research ^{Corp.} ~~organization~~ to get secrecy order lifted.

June 8, 1959 - went to Barton Springs to Kous -
"McCartney" mgf co. to discuss building some of the parts for the 1,000 ton tetrahedral Anvil device.

Sept 11, 1959 - I received notice from the U.S. Dept of Commerce today that secrecy orders covering 11 of my G.E. patents applications on diamonds and apparatus have been rescinded.

underlined However, I have received a letter from A L ^{in Red} Marshall telling me that the material covered by the patents is proprietary and I am to keep my mouth shut concerning it - Furthermore, G.E. will disclose the information in their own way ⁱⁿ their own due time.
