

note dated Dec 16 1960
~~Jan 7 1961~~ I took 2. P to Boulder Colo (U of Colo)
with me where I was the speaker at its
Colorado session of the Am Chem Soc mtg Dec 16.
I spoke on "High P, H Temp" to approx 200. talk
went well. I will be talking to a seminar
group of scientists at Texas Instruments, Dallas
Fri 20 Jan.

June 29/61 John Margrave - Chem Dept U of Wis is
spending summer with me to learn his
technique. on a Buggeheim Fellowship.

June 21 - Tracy's foot injured when some 3" x 4"
long steel bars fell on his foot.

Mon 21, 1961. Tues - thru Sat of last week I
took the family (except Sherlene) on a trip
to North rim of Grand Canyon, Glen Canyon
Dam & Fish Lake. We rented vacation trailer
for the purpose. Trip enjoyable. Trip cost 127.00 incl
rental of trailer. ^{Total} Miles covered 1049

~~Mon~~ Sun Aug 20 - Tracy called to be 2nd
councilor in P.V.I ward to Larry Free
& Chase Albird 1st Councilor.

Aug 21 Mon - Percy Bridgeman, 79, shot himself.
Nobel Prize Winner in field of High Pressure
rumored he had cancer.
