Within a short period of time we should receive a 4% payment by the Government on the guaranteed portion of your loan. Under present V. A. regulations this money must be applied in reduction of the principal of your mortgage.

We are very happy that we were able to be of service to you in procuring this loan, and if, at any time, you have any questions please feel free to call on us.

We hope we may have the pleasure of serving you in one of Pioneer's Savings Accounts. Opening one of these accounts will supply you with a fund to make those repairs or improvements you may find necessary or desirable in the future and obviate the necessity of your borrowing more money to accomplish them.

Please sign and return the duplicate copy of this letter so that we may complete our file.

Very truly yours,
