Jan 16, 1977 - I have the assignment to keep a journal as part of my 121 Religion course. It is interesting to review last year's goals. I did quite well on #1, #2, #3 should say "once a month" - I did about 80% on that - On #4 I did great Jan-Feb-Mar & then I got involved in everything - (houses, houses!) #5 needs improvement on. I need to learn how to really pray & communicate with my father in Heaven. He has been so good to us. It should wear out my knees just thanking him if nothing else.

Trey was made Bishop July 4, 1974 right after we got back from our genealogy trip. We followed Trey's ancestor's migration patterns & got quite interested in his line.
