Sot up at 5:30 est-est.

Had to ride bike because I had to get type eraser for type 1 that she would have to get a type eraser for, Tiddlywinks. Anyway, I got it in time to keep Mrs. Anderson from blowing hot stack. We lost our debate today because of the mere fact that the voters did not think of the presentation, but of popular opinion. (I'm not concited. (Ha Ha Ha.)

Had a fit in shop today the sound was whacking so we had to make best we could of lip-reading. Sot a hundred in math. One girl & other debate team - Ruth attention hasn't stopped laughing at us for losing debate.

My partner didn't have any material & I almost thought it myself -- oh well -- The beginning of health is sleep. -- 9:50 P.M.
