

Sister Rose,

As a Relief Society presidency, we want you to know how much we love you, and how much we value you as an important part of our ward sisterhood. You have such a warm, sweet spirit, and you have contributed so much in past to our ward. We're grateful for all the wonderful things you are to us.

Please be aware of our love & concern for you in your current health issues. We pray for your strength & well being, and we love you!
