Dear Ida Rose

Just a note to let you know how things are going - I called 7 rest homes before I found an opening, so today we are going to take grandma for a check up and have the papers filled out by a M.D. - this is required. The home has 9 lodges so I think she will be fine - as for cost it will be around \$200 we went over finances with Grandpa & he can pay it if he gets his \$178 Pension back, which we will take him to do (if necessary) But we are going over to Welfare office to check it might be that they will pay the difference on the \$40 Grandma gets S.S. anyway its in motion and will be O.K. - when Sam goes - Grandpa will get \$4000 Ins - and he already has enough for death expenses - so it looks like all O.K. -
