I was very happy to hear that you arrived home very well and that you also went to Europe. Sister Hall I received the material that cost \$119 and the Ladies took some Roselina took 3 pieces paid \$18 at the end of June.

Asnet took 2 pieces for \$10 she said she will paid me at the end of July Elizabeth also took 3 pieces for \$15 not paid yet.

Martha took 6 pieces for \$40 not paid yet she said she will paid when they got money but they sell all the quilts and use the money the rest of the pieces is still here they said they haven't got money I sent the Crochet out of my stock I want to sell in S. A.

Our relief Society is now very weak. Peter is our President, Roselina is not coming to the church any more
