Sis Hall.

I had sent your Xmas ornaments, the parcel cost me \$20.60^c by sending and the ladies charge me \$27 by doing them. I sent it by air because it was too late to send it by surface mail.

I cash that money you have sent me, they gave me \$35.10^c. I hope you received the parcel already. my family pass the greeting for Xmas and New Year. we are all well here and our church is growing now every Sunday we had 60 people at the church or more than 60. I wish you happy Xmas & New Year
Yours friend S. Marutha

/// thanks
