How many balls, skeins, or whatever you call it of white and ecru did you use. 2 Big ecru 3 small white Would it be possible for me to get one package, bunch, skein, or whatever you do call it of each? If so, how much, outside of the mailing, would it cost me? I will set it and see how much it cost
to mail surface 7.10

I know how much you spent to mail it to me. 20.60. If these should appear profitable, and if you want to, we will do some more after the 1st of the year, and then it can be sent slow boat and the profit margin will be increased.

Thanks, Sarah. Just as soon as I hear from you about the questions above, I will send you a check for the money I owe you. Be sure and tell me if you want it in cash (money order) or if you would rather have batting and/or baby quilt prints.

Ida-Rose Hall

Be sure and let me know about the check, as I still have the receipt and can get payment on it from the bank if you did not get the money.
