

July 16 - Juneau and Endicott Arm (Juneau -
 (Mendenhall Glacier) (Juneau Museum)

Land Ahooy!
 Juneau

Juneau Museum - July 16

We had more time at this museum than at anchorage.

The museum had a wonderful collection of native history and ethnology such as Dr. Gunn took us through & upstairs was a gold mining museum with showing life in the style the gold miners had to live with clothes, household articles, etc. Very enjoyable.

Eagle motif
at top (I think)
↓ or Thunderbird

wolf motif
