This letter had 11 Oct 1990 stamped on the back of the inside envelope (still being sent King's Express).

Dear Mom and Dad,

Is this great stationery or what? This letter is going to be short and sweet, guys. I'm sorry about that. I made a cassette for Laura, and it took up all my letter-writing time. Next week I'll write you guys an extra long letter. You two will be happy to hear that we are working very hard, we are healthy, and I am beginning to keep a budget. Right now it's very primitive and all, but I've decided it's about time I started keeping better records of my money, my time, and my progress. In the future, I will write you guys how much I spend and on what I'm spending it.

I'm so grateful for my mission. It's changing my life around. Who knows? Maybe I'll come out of this responsible.

I LOVE YOU GUYS SO MUCH. I LOVE YOU. I LOVE YOU. GIVE YOURSELVES A BIG HUG FROM DAN'L.

Love, Elder Bartholomew

P.S. These are pictures of two temples [he's describing the stationery--they are printed in light brown on the cream stationery, and he wrote all around them]: The Mayan Temple Tikal and the modern day, one-of-a-kind Guatemalan Temple [LDS].
