

might have to change where we eat, again. The food is really quite good (comparably), and I really like the people who live there and all, but the price is going up. Everything is rising in cost as the value of the dollar goes up. We'll see what happens.

I can't believe I've been in the mission 7 months. Where did all the time go?

Stay cool. Be happy. Eat your vegetables. And Dad! Don't scratch your eye! Thus terminates the weekly nag session. I LOVE YOU. I LOVE YOU. I LOVE YOU. Go ahead. Make my day. Eat pancakes tomorrow.
