GLENNORAH

HARARE / ZIMBABWE

Dear Brother & Sister Tracey Hall

I have written this letter to you informing you that I received those forms which I have attached with this letter hoping that you are going to read them all and compile to what they have stated out in order for them to process my application so early before their dates of closing. I know that through your help which you are giving us it is going to be a successful thing.

All they wanted from me was to prepare a Resume and make a payment of US\$79-00, of which it is impossible for me to pay the US\$79-00 here in Zimbabwe due to the same fact which I told you last time when you made that payment. The payment of US\$79-00 is needed very urgently.

Brother & Sister Tracey Hall I want you to know that all this you are doing for me I am very much prepared to pay you back all the monies and the service as soon as I start working on aboard. A strength of steel and courage is yours. Brother & Sister Tracey Hall we all-ways remember you when we read; "Two are better than one because they have a better reward for their toil; for if they fall, one will lift up the other, But woe to him who is alone when he falls and has not another to lift him up" (Ecclesiastes 4:9-10) "Be not afraid, only believe" (Mark 5:36) All this can be found in you, you are so blessed to listen to somebody's problems.

Waiting for your favourable reply as early as possible

Yours loving In Christ

Wormayi Jaure.

P.S I received the forms on the 18th/May/1992, including the Evaluation Report which was successful.
