

19 Aug. 82

Dear Elder^{2nd} & Sister Hall,
As you can see, we are
now in Richards Bay.

I guess will be here for
another month. We're
scheduled to leave for
Sept 22. It's rumored
that two couples are
coming here in the
near future. We're trying
to find accommodations
for them, but they're
hard to find and very
expensive. ^{There's 2 Elders here.}

This is a little Branch
of 25 families. They were
meeting in a school, but
now they're meeting in
a home. They've picked
out some land and hope to
build a church - they
surely need it.

We had a little trouble
with our car at the border
so I'd advise you to
follow your own advice
and get out before the yr.
is up.

We met the Margetts at
the Mission Home, but just
missed them at the zone
conferences - they'll be good
Mission Presidents.

Sorry I didn't get any
material for you, Sister

... YOU CAN'T
KEEP A
GOOD MAN
DOWN!!

SO HURRY AND GET WELL!

So sorry to hear of your
misfortune with your car
and the discomfort of pulled
muscles. Wish we could
do something to help you.
At least they both happened
at the same time, so both
can be mended at the same
time. Love, Ralph + Ellen Wheelwright

Hall - I looked up some
places - Maybe Sister
Paterson could get some
for you.

Had a letter today
from Pres. Paterson. He
says you're doing a
great job at Highfield.
Are they sending any-
one up to Binders
when they open that
up again?

It's good you weren't
hurt in your car, but
we felt bad about it, because
we know how hard
it is to get ^{repairs} ~~repairs~~
done there. Will it be
tied up a long time?

Hurry up and get
better and we'd
love to have you
write us a letter while
you're taking it easy,
recovering from your
Highfield Soccer game.

We're glad we are
getting to see this area
of So. Afr. - the ocean is
beautiful - but it is
getting hot. We go to ^{Emporium} ~~Emporium~~ too.
May the Lord bless you
both - Love
Ralph & Ellen Wheelwright
