HAPPY HOLIDAYS

2070 N. Stadium Lane  
Provo, Utah 84604  
Dec. 20, 1982

Dear Halls,  
Surely hope this finds you both in good health. Do hope your leg is better now, Tracy. Sorry to hear of your accident.

We have had 3 or 4 snowstorms already this winter and the ski resorts have been open since before Thanksgiving so guess they have made oodles of money. I can't quite figure out where you are from this address I got from PVI. That's something that they are building a temple there. Our John (25, single) is working as an accountant in Sacramento, CA; son Sherman Paul & 5 live in Modesto, daughter Diane & 3 plus husband Evan live in Mesa, son Mark with Kathy & 4 are in Tempe & Bruce with wife Meredith & 1 live in Minneapolis where he is employed by Republic Airlines. Sherm and Rusty (our dog) and I are alone.

Our best,

*Sherman & Layne*  
Dangerfield
