Dear Elder and Sister Hall,

I have written the attached letter introducing you to my Brother Billy and his wife Dot.

I gave Billy a Book of Mormon and a copy of The Truth Restored when he was in Johannesburg at the beginning of this month, as I have not seen him or spoken to him since I don't know if he has read anything as yet. My sister-in-law Dot is quite a staunch Dutch Reformed but I would be glad if you could call on them and do what you can.

Wishing you a very Merry Christmas and a Happy and successful 1983.

May our Eternal Heavenly Father bless you both.

Love
Sister Merle (Lewis)
