Dear Ida Rose & Tracy,

How much we enjoyed hearing about your experiences in Zimbabwe! It is a unique experience you are having, and are rendering a wonderful service. No one could do it better.

Ida Rose, I was on the committee for the Opening Social for Catalyst Club - seems you & I always got that assignment together. I missed you and remembered all the good times we have had working together.

Bus is a new bishop here in our new ward in Orem so we expect to be having many new experiences. God bless you both. We know it is no mistake that you are where you are. Bus & I are looking forward to doing the same thing when he retires in 9 more years. Love
