Dear Elder & Sister Hall,

Thanks you very much
for the letter you send to us
some days ago. Its always
nice to know that you still
have the memory and that you
love us.

How is things like
in S. Africa? Hope you have
or are meeting good people.
Surely sister Hall the work
you introduced to us quilt-work
is going well on our side
we are planning to go to town
to find more orders. But I am
sure we have got to remember
fitting first. I am sure the Lord will
bless us. May the Lord be with
you this xmas. I love you
P.S. The CHURCH is TRUE, ^{Rosalind} JAURE.

To Elder & Sister Hall

With every good wish
for Christmas and
the New Year

Love
