

Dear Tracy and Ida Rose -

Our thoughts and prayers are always
with you. We get news of you in various
ways and we are happy to hear of your
experiences. We know you are a great
strength. We hope your health is good
and your energies high.
The work is demanding.
Jack and
told us they never
worked harder in
their lives than in
the mission field. Take
good care of yourselves
and each other and
everyone where you are who need your
special brand of sustenance and spirit.
We miss you but realize that your time
there will not be enough. Enjoy a happy
holiday season.

Love
John & All

Merry Christmas

“As birds of winter pause in flight
To perch on limbs
of snowy white,
Their cheery singing seems to say,
‘Welcome, welcome, Christmas Day!’”
