

19 Aug. 82

Dear Elder<sup>2nd</sup> & Sister Hall,  
As you can see, we are  
now in Richards Bay.

I guess will be here for  
another month. We're  
scheduled to leave ~~to~~ for  
Sept 22. It's rumored  
that two couples are  
coming here in the  
near future. We're trying  
to find accommodations  
for them, but they're  
hard to find and very  
expensive. <sup>There's 2 Elders here.</sup>

This is a little Branch  
of 25 families. They were  
meeting in a school, but  
now they're meeting in  
a home. They've picked  
out some land and hope to  
build a church - they  
surely need it.

We had a little trouble  
with our car at the border  
so I'd advise you to  
follow your own advice  
and get out before the yr.  
is up.

We met the Margetts at  
the Mission Home, but just  
missed them at the Zone  
Conference - they'll be good  
Mission Presidents.

Sorry I didn't get any  
material for you, Sister

... YOU CAN'T  
KEEP A  
GOOD MAN  
DOWN!!

---

SO HURRY AND GET WELL!

So sorry to hear of your  
misfortune with your car  
and the discomfort of pulled  
muscle. Wish we could  
do something to help you.  
At least they both happened  
at the same time, so both  
can be mended at the same  
time. Love, Ralph + Ellen Wheelwright

Hall - I looked up some  
places - Maybe Sister  
Paterson could get some  
for you.

I had a letter today  
from Pres. Paterson - He  
says you're doing a  
great job at Highfield.  
Are they sending any-  
one up to Binders  
when they open that  
up again?

It's good you weren't  
hurt in your car, but  
we felt ~~bad~~ <sup>bad</sup> about it, because  
we know <sup>forget me not</sup> how hard  
it is to get <sup>repairs</sup>  
done there. Will it be  
tied up a long time?

Hurry up and get  
better - and we'd  
love to have you  
write us a letter while  
you're taking it easy,  
recovering from your  
Highfield Soccer game.

We're glad we are  
getting to see this area  
of So. Afr. - the ocean is  
beautiful - but it is  
getting hot. We go to <sup>Empangeni, too.</sup>  
Way the Lord bless you  
both - Love  
Ralph & Ellen Whaleywright
