

L'ILE DE LA REUNION  
Flamboyants

POSTION  
TADIA

Dear Ida Rose + Tracy,  
These beautiful Flamboyant  
trees are redecorating  
this tropical French island  
in red for the Christmas  
season. Our Branch is  
planning a big Christmas  
program. We are invit-  
ing all our contacts.  
"Hark, the herald angels  
sing." The Gospel is true  
and we are enjoying  
the activity here as  
we spread the glad tid-  
ings. Joyeux Noël! Bonne  
et heureuse année!  
David and Therie Lyon  
International Missionaries  
sent with love to you  
both + prayers for your success.
