

Dear Tracy & Ida Rose

Sept. 8, 1982

First of all I got the word about the dress from Kathryn & it is in the hands of Helen Jonsson. (Still is gorgeous!)

You must realize I have been out of town for 2-3 weekends in a row. Pat (had a 6 to 30g girl, Thurs. Sept 2) had been required to stay in bed because of high blood pressure. Plus & probably the greatest factor Pat & I do not speak. Mostly my fault. I can't (or perhaps don't want to) communicate with her. I feel she has a great tendency to "take over" anything I do and any friends I have etc. & it really makes me feel limited to show much I want to deal with her. It makes me have a great of confidence. I do apologize if I misinterpreted. It is just really a matter of when I am asked to do something I expect to be left alone to do it. & Pat works differently.

And also Ken has given me a feeling of "holier than thou" & I can't take the idea of a "limelighter". I guess all this means I have a problem (I choose my friends & ignore others) & I will repent. Can't say when.

Richard Crossland looks good. His report will be Sun. Sept 12. Jeff Hartweger left Tues. Sept 7. Knows all of the discussions. Kathryn Hansen 2nd counselor in Stake Mutual. Joyce Ridge 2nd counselor - PVI & Shannon Harrison Newspaper Editor; Elaine Duke Stake Primary Secretary. Always changes - Alf Ridge Secretary - 2nd MDA. (So they're back at Mutual). Betty Jo Smith will write the Roadshow - That's all I can remember. There have been quite a few new families move into our Ward bringing families.

Dan Socenanta was baptized^{& confirmed} by Sheffer Clark. Such a way to start

a mission. Sheffer has a great deal of enthusiasm. It will be good to see him excel.

It is so hard to believe school is already into its 3rd week. Children learn so much more & have such wonderful opportunities to become the best of each vocation. It is wonderful to watch our own children solve problems of school & working with people. (I guess I had better start my repentance sooner than later!)

Things are beginning to take on the flavor of Fall. Reportedly to be a cold winter.

Once again keep up the good work.

Love,

Carolyn Keith
