

Dear Tracy and Ida Rose-

Another year has passed and it's Christmas time again. Time surely flies by fast! All year I've intended to write to you just to let you know how much we appreciate your friendships and all you did for our family as a Bishop and Teacher in the auxiliaries.

Poncho returned from his mission in Ohio three months ago (Sept). He had many great experiences. He mentioned that he really appreciated Bishop Hall and all he did for him.

How are you both? We hope you are well and happy as we all are here.

Winter is here in Provo and it's really beautiful with all the snow. (The nice thing is that the roads are clear and dry). Sure hope the snow stays for Christmas. What is the weather like where you are? It's summer now, isn't it?

Well, we just want to wish you a happy and successful new year and hope that all your dreams may come true.

Wishing you every happiness
at this Christmas season
and throughout the coming year!

With love,

Ben & Jory de Hoy
