Dear Elders & Sr Hall

Thank you so much for your letter. It was great to hear from you. Often wonder about how things are going where everyone is etc. We look forward to seeing you when you return. We had a couple dinner over Christmas Holiday & was nice to reminisce together.

We had dinner with the Evans (Joy & Mary) families Friday night. Sr Evans was delighted when I read your letter about the 100 quilts the sisters in Harare completed.

We have been very busy since returning. It took us several weeks to get the house back to acceptable standards. I went back to work at Welfare Services even before I wanted to and have been very involved in some staff work. My assignment currently is Director of Operations supervising all W.S. activities in So Cal. the North West and the Med West ecclesiastical areas. I am travelling again but home on weekends now, but Tonia is not able to go with me either. Sue was better to stay with you than Motel rooms alone.

B&U made a serious offer to get me back but I have been involved in some very important and interesting things and decided to stay with W.S.

May the Lord continue to bless you. Thanks for your great service and for your remembrance.

Dear Elders & Sister Hall,

Trying to find him a job to help him through school. I'm trying to think what missionaries you knew - Elder Wright is getting married. Aaron Smith married Jane Sibley. Sr Manning is dating Elder McCoombe. Elder Gregory is getting married in March so the world
