Dear people -

I miss your smiling faces and sweet spirit, but know the people there are being blessed by you - Your letters that have been put in the ward news have been so interesting. What a wonderful experience you're having - I admire both of you so very much -

About 15 miss. have returned the last few months - We only have 14 out now, the latest called are Melissa Erickson - Mich.; Barbara Taylor - Mississippi; Alon Andrus - Hong Kong; Brian Hansen - Montreal - Agonish Miss. & Seems like you have been gone a long time!

God be with you and bless you
at Christmas Time
and throughout the new year
