We really enjoyed our town in
Johannesburg - about 1000 miles, we got
home then we did at the time -
We were pretty kind of traveling then
He made to be kind and we love
engaging our family - and our 3 new
grandchildren! Hope this foreign well and happy
We know it will find you busy, but do

How did the new Br. Presiding work out in Harare? What do you hear about the Nieldes? Had a letter from Lavings - they're good. How and where have you been planning on leaving? What did Freese, Deede & Did Sis. Oliver ever get to Pretoria? How about Fredwell?

When do you leave? And where are you going to travel on the way home. Tell my Elders we know hello for us - Ever meet Elder Vermillion?

Dear Elder and Sister Hall,

We just had a letter from the Olsens. They said they were working there in Cape Town with you and the Rathies. How do you like it down there? Has the heat been bad?

It has been so long since we heard from you - and we finally got around to writing to you. We would love to hear from you and get an update on things there. Did things get worse in Zimbabwe after Guffy? We never did hear much about it after that, except what we read in the paper - which wasn't much. Did they ever find those hostages - the ones taken by Wankie? Did you have any trouble at the border? We were lucky to get through there with our car without paying a big fee, after staying beyond the year. We heard you can't take a car in there now, so the Elder flew in. Does that just apply to the Elders - or couples, too?

The Martens, who are in Bindura now are parents of a woman here in Boise. She said he was being made Br. Pres. of Bindura after they got back from Vic Falls - (flew over there) They stayed at Donnellis for a while. Did you know them? They are coming home in March.

We were in Richards Bay for two months. We enjoyed the Webbs & Olsens there - and Eld. + Sis. Ash - (who replaced us) - they said they knew you. People told us it gets terribly hot there in the
