Dear Bishop & Ida Rose -  
We've enjoyed reading  
the letters you've sent  
about your experiences  
there. I've even passed  
some of your experiences on  
to my parents in Oregon.

Am I too late to order a couple of  
table cloths? If so - it's my fault  
for being such a procrastinator.  
But if it's still possible to get them,  
I'd like a round one - somewhere  
around 64" in diameter and a  
rectangular one - something around  
100" x 60" - but the measurements are  
quite flexible - cotton, if possible, or  
nylon (white) would be alright, too.

Also, I tried on the beige, nylon  
2-piece dress you sent. I would like  
to have one, but wondered if the  
measurements can be stipulated -  
the skirt was too long & the waist-  
line of the top was too short. To fit  
me, the skirt would have to be  
22-23" long - and the waist about  
15" from the shoulder. Again, I realize  
I may be too late for any of this,  
but thought I'd inquire.

My kids have all gone off to  
school this year so I'm in the nursing

program at BYU. We started  
in at UVH last week and  
it's been a real new experience  
for me. I feel like I have so  
much to learn before I attain  
any degree of competency.

I'm still working with the  
Blazers in the ward and KC  
is the Scoutmaster - so we're  
really into this Scouting business!

Our family is planning to spend  
Christmas in Oregon with my parents  
this year. We have made reserva-  
tions on the Amtrak. It seems our  
VW bus is on its last leg and we  
don't trust it to make the long  
trip anymore. It's about 900 miles.  
This will be our 2nd train trip.  
The kids really enjoy it and we  
can relax a bit more than if we  
had to drive.

David Arnold, the boy from Idaho  
is living with us again this year.  
He's 18 now - will graduate in  
April and is planning on his mission  
in the fall. We have another fellow  
living with us this year, too! He's  
my 2nd cousin, from Oregon - also a  
BYU student.

Let me know about the crocheted  
items. Thanks so much.

Love, Annette
