

Provo, Utah.

Dear Tracy & Ida Rose.

We think of you often and have heard of some of your experiences. Hope by now you have completely healed from your afflictions. These experiences are much different than any you have had previously in your lives. But I'm sure you are the type of people that can adjust to any surroundings.

Things here are about as usual, Leah & I are still ~~working~~ working two days at the Temple & enjoying it very much. We have had the start of a real winter snow and all.

We wish you a merry Xmas and happy new year with many new experiences and send our love Leah & Tony

My Dears,

Oh how we miss you!  
We do enjoy the few, short  
reports we have from you.  
We are going to the temple  
today to get our grandson  
Kent started for his Independence  
Mo. mission. We sent our  
David off to Honduras 2 weeks  
ago. We have a nice white  
cold Christmas.

We are all just fine  
and are holding out  
until you get home.  
We think of you often  
and you are in our  
Prayers Love Love

*Best Wishes  
for a  
joyous Christmas  
and a  
New Year filled  
with happiness*
