

Dear Ida Rose & Tracy
I hope you have recovered
from that misfortune
for I know you are
anxious to function
at full speed. We miss
you much. But you
know you orchids do
show up for us to enjoy.
We spent the day in
San Francisco at the
Orchid farm. What an
exciting place. Their
new methods of propagating
is marvelous.

May
the Peace and
Joy of
CHRISTMAS
be with you
today and
always

I hope you can visit
these gardens
Clarence and Anna
