MISSIONS
ARE
GREAT!

Rec'd 18 March 1982

Dear Elder and Sr Hall

We gave Sis Vice R54-
to help fix her car when
we were in So. Africa.
1.

Just a quick note to say how very,
very grateful I am for all
your kindness, and for all
I've learnt from you.

The car ended up being somewhat
expensive to repair, and your
gift really was most welcome.

Thank you for caring.

Love
S. Laurie Vice.

P.S. Glad to hear you're doing
so well - I knew you would.
② My Parents sent the other
note and the calendar.

Thank

Dear Elder and Sister
Hall.

Welcome to South
Africa. May your stay in our
country be a blessed and happy
one with its people listening
to your message. You do not
know us, but we are the
parents of Sis. Vice.

We would like to take
this opportunity to give you
our grateful and sincere
appreciation for what you
have done for our daughter.
How good it is to be able
to lean on one another's
help and we do hope and
pray that when you come
to Durban someday, we will
be able to do something
for you in return.

May the Lord bless
-sings be with you. Deryck and
Ria Vice.
