Dear Elder + Sister Hall,

I wanted to send you a late Christmas greeting and tell you how excited I am for your mission call to serve in Africa. You will be very effective missionaries in that you have always been such loving, hardworking, and diligent people. I am so enjoying my mission experiences here in Germany. We had 2 baptisms last week which made many of those "harder" days seem worth it. The joy is indescribable to be able to witness the changes that take place in a persons life as a result of accepting the gospel and living by its principles. The work does seem to be picking up here in Germany - its exciting to be a part of it. I wish you all the best and thank you once again for being the great neighbors that you are.
 Love, Sister Jonsson
