Dear Brother & Sister Hall,

We have been unable to come & hope your journey was safe and sound. Yesterday we have baptised 16 people in Bindura and we are working so hard in order to lengthen our strides & quicken our steps as Pres. Kimball said. We are gaining momentum a lot in Bindura. So far we have been left out in that area teaching and we are enjoying ourselves a lot doing the Lord's great work. Hope you are also enjoying yourselves.

We have started a branch in Melboreign about two weeks ago which starts at three o'clock although we have a small number but the Lord is making us happy a lot. We miss you so much here hope you do the same as well. May the Lord bless you on your work.

Yours faithfully,
Elder Charles Mutize.
