

72 Proclamation of 1763 ??

closing the Port of Boston, changing the Massachusetts charter, and etc, which resulted in the formation of the

formation of the union of the colonies by forming the continental congresses, Out of the three congresses came the Declaration of Independence, triggered by violence erupting in Lexington and Concord & England declared the colonies in Rebellion.

The individual colonial constitutions formed as recommended by 1st continental congress and the articles of confederation which was the governing articles during the Revolution gave the emerging United States of America experience in the strengths & weaknesses of their political structures and written constitution, ~~at the time~~ after obtaining freedom from England in the Treaty
