

new notes  
program  
of 1907

was settled in 1607.  
youngest son of good families.  
By contrast the South was settled  
by individuals, adventurous, pioneers.

members could read the bible.  
was able to make urban work  
Education was central in the New York  
and accused them they were "stupid".  
appearance that let them into the church  
family order that they could have the religious  
the girls' role was to instruct the  
New England from was entirely religious.  
The main purpose of child rearing in  
more in with parents.

the other girls, but seldom did anything  
would be grandparent being and her  
a mother, and children. Sometimes this  
The families were nuclear. A father,  
two England.

The town was the important part in  
to relationship of the community.  
compact that they would live according  
to religious principles, had to sign a  
petition. The town had to sign a  
in Plymouth, for example, all those who  
who came along for religious purposes.  
New England was settled by puritan families

Spending their time  
of it. of their way they are  
not doing a night

This is  
the but  
has  
little  
to do with  
the  
question.

yes
