Dear Mom + Dad,

Enclosed is the interest payment on the loan. We are so glad to be in a home and we really appreciate the loan you extended to us!

I just received a call from Bryan and he informed me that he just received notice of a 9.6% raise. That will be about \$130.00 more a month.

We made a commitment to have our basic food storage by the end of August. (Wheat, sweetener, salt, water, powdered milk) We have \$400. in savings but part of that

has to go for taxes (property) and  
house insurance. I wondered if we'd  
meet our ~~full~~ <sup>storage</sup> goal but with the raise  
we'll be able to meet it and have  
some to spare. The Lord really  
pours down the blessings when  
we keep his commandments.

I love you and I appreciate all  
you taught and still <sup>do</sup> teach me.

Also enclosed is a picture of  
Sarah. She's 10 months old today.

Love,  
Charlotte

P.S. I decided to enclose another  
picture of Sarah. Please return  
the one with the Sun glasses.
