Dear Family,

This is Zina writing for all of my family again.

You will be delighted to hear that we are all alive and in good health, except for maybe a little head cold or two. You will be fascinated to read that we have all passed an enjoyable summer.

The kid's school is a year-round deal so Susanna, Alex, Lili, Anthony, and Spencer are all back in school already. Their grades, in the same order as above, are: 6<sup>th</sup>, 5<sup>th</sup>, 3<sup>rd</sup>, 1<sup>st</sup>, and

Kindergarten. Some of them love school but some of them don't. They all go.

Tracy, Mary and I are all going to be attending Orem High this year.

Robert will be the only kid from our family going to Canyon View Jr. High.

He'll be in 8<sup>th</sup> grade and he's the

coolest. Well, Tracy, Mary, and I

are really the coolest coolest. Tracy'll

be a senior, and me too. Mary'll be

a sophomore, again. This is the first

year I'll have a full 8 classes and it's

going to be great. School starts in

2 weeks. Are you ready?

Well, there's the briefest of news 'bout us  
chilluns. Movin' on to mom and pop:

Well, actually I'm less well  
informed than can be desired - but I  
do know that dad's started his  
own business, and mom's going to  
do a paper for the Sunstone Symposium.

And, well, we're all very alive and  
very well and I guess that says  
it all. We still all like to stay  
up late and watch movies.

And we like to visit  
with our cousins Laura and  
Daniel and our cousin's cousins  
Amy Tanner and all her cousins.

We gab all night after we watch  
movies all night. Or sometimes  
we go out to a drive-in. We went  
to the one in Springville to see  
'La Bamba' (very dull film) this last  
week. There were 13 of us in the  
van and only 2 of us who weren't  
cousins or cousins of cousin's cousins.

It's been fun. Oh, howdy Mark  
and Steven. And all you Aunts,  
Uncles, Cousins. How you beans?
