Dear Grandma and Grandpa,

Thank-you very much for the birthday card (not to mention the \$10.00 enclosed.) It's great to be remembered, and money in any shape or form ~~is~~ is always appreciated — I now have renewed hope in buying fabric for a Hanecoming dress!

I'm keeping very busy these days — I'm presently in two plays. (A little poetry for you there.) On top of that I have school, including 3 AP classes, and, of course, [♪] [♪] [♪] choir. I'm also trying to find time for plenty of other little things, while doing my best to enjoy my youth as it speeds past.

We're busily awaiting Tracy's mission. We're all ~~very~~ very excited and, well, maybe a little... well... scared. But mostly excited. He'll be a wonderful missionary.

Thanks once again — I had a wonderful birthday. I love you! Love,
Mary
