

Oh, if any of you decide to visit,
I've started working at the
McCurdy doll museum. Actually
I've started working there
even if you don't decide to visit.

I enjoyed Grandpa's story,
"Tractor, Trailer, Truck." I like
to hear from all of you.

Am on behalf of ~~me~~ myself
and my whole family, all ~~the~~ eleven
of us,

LOVE,
